President's Letter

Greetings!

The 50th anniversary of the founding of Bishop Chatard High School occupied much of our focus this past year. From the celebration dinner on September 13th (the anniversary of the actual opening day of school in 1961) to the successful Golden Opportunities Capital Campaign culminating in a ribbon cutting ceremony on August 18th in the new stadium, it was an eventful and memorable year. Our community put faith into action as we achieved our goal for the campaign, funding endowments and building new facilities and technologies critical to the fulfillment of our mission.

But the compelling story of this past year was about so much more than our advancement accomplishments. Once again, our students demonstrated why we all love this school and continue to support it with our whole heart and soul. We had another record setting year for Academic All-State awards; the most in the state of Indiana in football, 61 overall, and an additional seven Academic All-Americans!

We celebrated the state final run of our girls volleyball team, our football team won a record-setting 11th state championship, and our girls track team placed 5th in the state. We were also able to provide \$665,000 in tuition assistance to 178 students who would otherwise not be able to attend Bishop Chatard. We served 130 students with learning disabilities and continued our remarkable graduation rate (99%) and college matriculation rate (95%). Additionally, our seniors were awarded over \$9 million in scholarships.

On a more somber note, Bishop Chatard lost two of our favorite faculty members this past year, Dick Powell and David Soots, whose deaths were both mourned and celebrated for the countless lives they changed. Their passing reminds us all to appreciate and thank the wonderful role models we have here at BCHS.

As most of you know, the support from the archdiocese and the investment of our current families provides the foundation for our financial viability. However, tuition and the archdiocesan subsidy do not cover the cost of an education here at Bishop Chatard. It is my hope that you will be inspired to support our mission in the extent that you are able this year.

Many thanks are due to the members of the Board of Regents who provide wise guidance, to our parents, past and present, who invest their time, talent and treasure to enhance the experience of all our students. Thanks to our gifted faculty and staff, who dedicate themselves wholeheartedly to serving the needs of all our students. Thanks to our alumni and friends of Bishop Chatard who continue to financially and prayerfully support this remarkable community.

May this be a year of blessings for you and your family as we all do our part to carry out the Bishop Chatard mission to form our students to become lifelong believers, learners, leaders and servers!

Because of Christ,

Francis Silas Marean Chatard

Silas Marean Chatard was born in Baltimore, Maryland, on Dec. 13, 1834, the same year that Rome created the Diocese of Vincennes. Silas was one of eight children of Ferdinand Chatard and Eliza Marean. His great-grandfather had originally emigrated from France to practice medicine in what is now Haiti, and he settled in the United States after the French were forced to leave in the Haitian independence movement. Silas, as well as his father, grandfather and great-grandfather, were all physicians, as were one of his brothers and a number of his nephews and grand-nephews.

Silas completed his elementary school education in a school run by the Daughters of Charity, and he graduated from St. Mary's College in Emmitsburg, Maryland, in 1853. He completed his medical studies and began practicing medicine in a Baltimore hospital which cared for the poor. Against his father's wishes, Silas entered the priesthood in 1856 and was sent to the North American College Seminary in Rome for his studies. He was ordained a priest on June 14, 1862. In 1863, Francis Chatard received a doctorate in theology. In 1868, Chatard became rector of the college, a position he filled for ten years. Because of his education and conservative views, Chatard quickly became an influential member of the Vatican hierarchy and was a close advisor to Pope Pius IX on American church affairs.

In 1878, Chatard became the fifth bishop of the Diocese of Vincennes. He realized that Indianapolis would be the future administrative center of the state and requested permission from the pope to establish his residence at the corner of 14th and Meridian Street. In 1898, Rome officially changed the diocese from Vincennes to Indianapolis. In the last years of his life, Bishop Chatard turned over his position to Auxiliary Bishop Chartrand but continued to offer daily Mass until his death on Sept. 7, 1918.

Generous Gifts Provide Incredible Results

Phase One of the Capital Campaign Comes to a Close

The Golden Opportunities Capital Campaign was the most successful philanthropic endeavor in school history. Throughout the last several months, the Bishop Chatard campus has undergone a massive transformation. The combination of hard work, determination and prayer has made all the tremendous improvements to our school possible. The ribbon cutting ceremony on August 18th (above) provided donors and community members the opportunity to celebrate the success of the campaign.

The accomplishments of the year have been remarkable, but there is more to be done. Widening

Crittenden Avenue into a plaza will provide a safer, more beautiful entry to our campus; completion of the HVAC heating and cooling system will enhance the learning environment and reduce energy usage; and the connection of the two buildings with a new chapel and student life center will provide a focal point for our campus.

All of these improvements will require continued financial support from the Bishop Chatard community, and we are confident we will be able to move forward with these projects in the very near future.

The Annual Fund

The money collected by the Annual Fund plays a vital role in the operation and success of Bishop Chatard High School. Without it, we would be unable to bridge the gap between the full cost of educating our students and tuition revenue.

The Annual Fund supports:

Teacher Compensation

The faculty is the backbone of Bishop Chatard High School, and Annual Fund dollars are needed to support the innovative Catholic Educator Advancement Program.

Tuition Assistance

Bishop Chatard aims to provide every North Deanery student who wants a Catholic education the opportunity to attend BCHS. Annual Fund dollars help make this dream a reality.

Facilities/Operations

Daily operational costs add up significantly over the course of the year. Annual Fund dollars cover everything from keeping the lights on, to running our new robust wireless network.

The iPad:

A Revolutionary Tool in Our Student's Hands

Amid tremendous buzz and excitement, third-generation iPads were distributed to each Bishop Chatard student in early August. The faculty has hit the ground running and teachers are now evolving their curriculum to utilize this incredible tool.

These devices are used to house electronic textbooks; create cutting-edge classroom interaction; conduct tests/assessments; and enhance creativity and critical thinking for all students.

Tracy Luke, Journalism teacher and publications advisor, has been impressed with this new teaching tool. "I find kids engaging even more in class because they have immediate access to the most up-to-date information. It has already become the tool of choice for discussion, quiz-taking and writing," she said.

Technology continues to change and progress, and Bishop Chatard continues to stay on the cutting edge. The future will surely bring even greater ingenuity from not only our faculty and staff, but our students, as well.

Sophomores Erin Weaver, Mary Claire Fagan and Erin Wallander investigate breaking news stories in Beginning Journalism class.

Priceless Opportunitites

Provided by The Annual Fund

Every day when Amy, a Bishop Chatard High School junior, enters school she says a prayer of gratitude. She thanks God for providing her with not only a strong Catholic education but also the stability and nurturing of caring teachers and administrators. Amy lives with her mother in a rent-subsidized apartment. Amy's mother is not able to work due to mental illness and many days cannot leave the apartment. Amy often finds herself in the role of taking care of her mother and stays up late to do her homework and class projects.

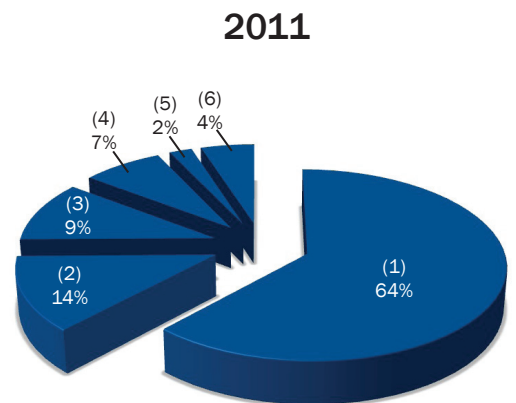

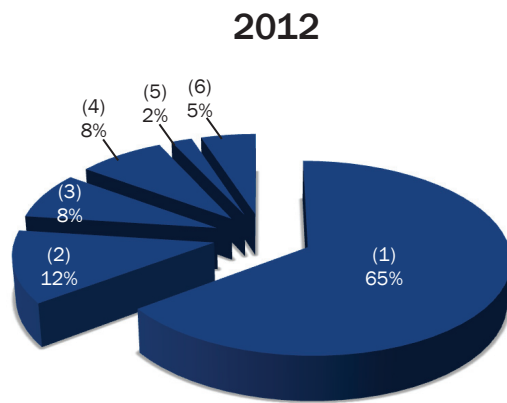

Because she is so thankful for the financial assistance that she receives at Bishop Chatard, Amy has never missed a day, regularly earns A's and B's, and is involved in countless extracurricular activities. Amy believes God has a plan for her that is rooted in what she is learning at Bishop Chatard.
