Class donation to support Bishop Chatard - \$4000 goal for our 40th year!

Please join the reunion planning team in making a free will donation to thank the school for the education and formation we received from BCHS. Chatard is thriving and continues to form well-rounded young men and women of faith and character.

All freewill donations collected will be given as a class gift in memory of our deceased classmates. These donations will support the purchase of a brick which will be engraved with a phrase in memory of these dear friends. Additional monies collected will be designated to purchase much needed items for campus ministry including school Mass supplies and the retreat program which benefits all students.

Please look over the list below of our dear friends who have entered into eternal life – if we have missed anyone, please contact Jim Deitchman at Jim.Deitchman@gmail.com so that we can be sure our records are up to date. Thank you in advance.
